GLEANER

o my dearest Julie -

This year has been full of good times and a few bad times! We've always managed to survive though. I'll never forget all of the fun we had on weekends with Chris and Chris and all the times we snuck in and out of my house. Thank you for always being there when I needed someone to talk to. You are so dependent I can trust you for anything. Thank you for letting me "live" with you for the whole 4 days. I'm glad we never got the sexiest men in this school and I owe it all to you! If it wasn't for you Julie I would have never seen as much of certain "someone's" as I would of. I know we have changed a little bit and haven't gone out for a while but there is always this summer and our last year, to go out and party. I'll never be able to thank you enough for all you have done for me. You are a very special friend. Take it easy on Christopher and yourself over the summer. Call me anytime you may ever need anything 4-4200! If I have another party I'll call ya, because I'll never forget the last

two we had at my old house on the corner. Stay as sweet as you are. Bye.

Love a friend always,
Tracy Miller
☺

Homecoming 1985

Dave and Christie Crowned King and Queen

In the beginning of the week of October 7, 1985, the students of Webb High School thought they were in Hawaii, although the weather outdoors was a bit cooler. It was Hawaiian Day. The next day Tuesday was tie and shades day. Wednesday was something new this year, Nerd Day. The students brought out their parents' old clothing and dressed like nerds. On Thursday was the traditional Jersey Day. Throughout the week there was flickerball and float building.

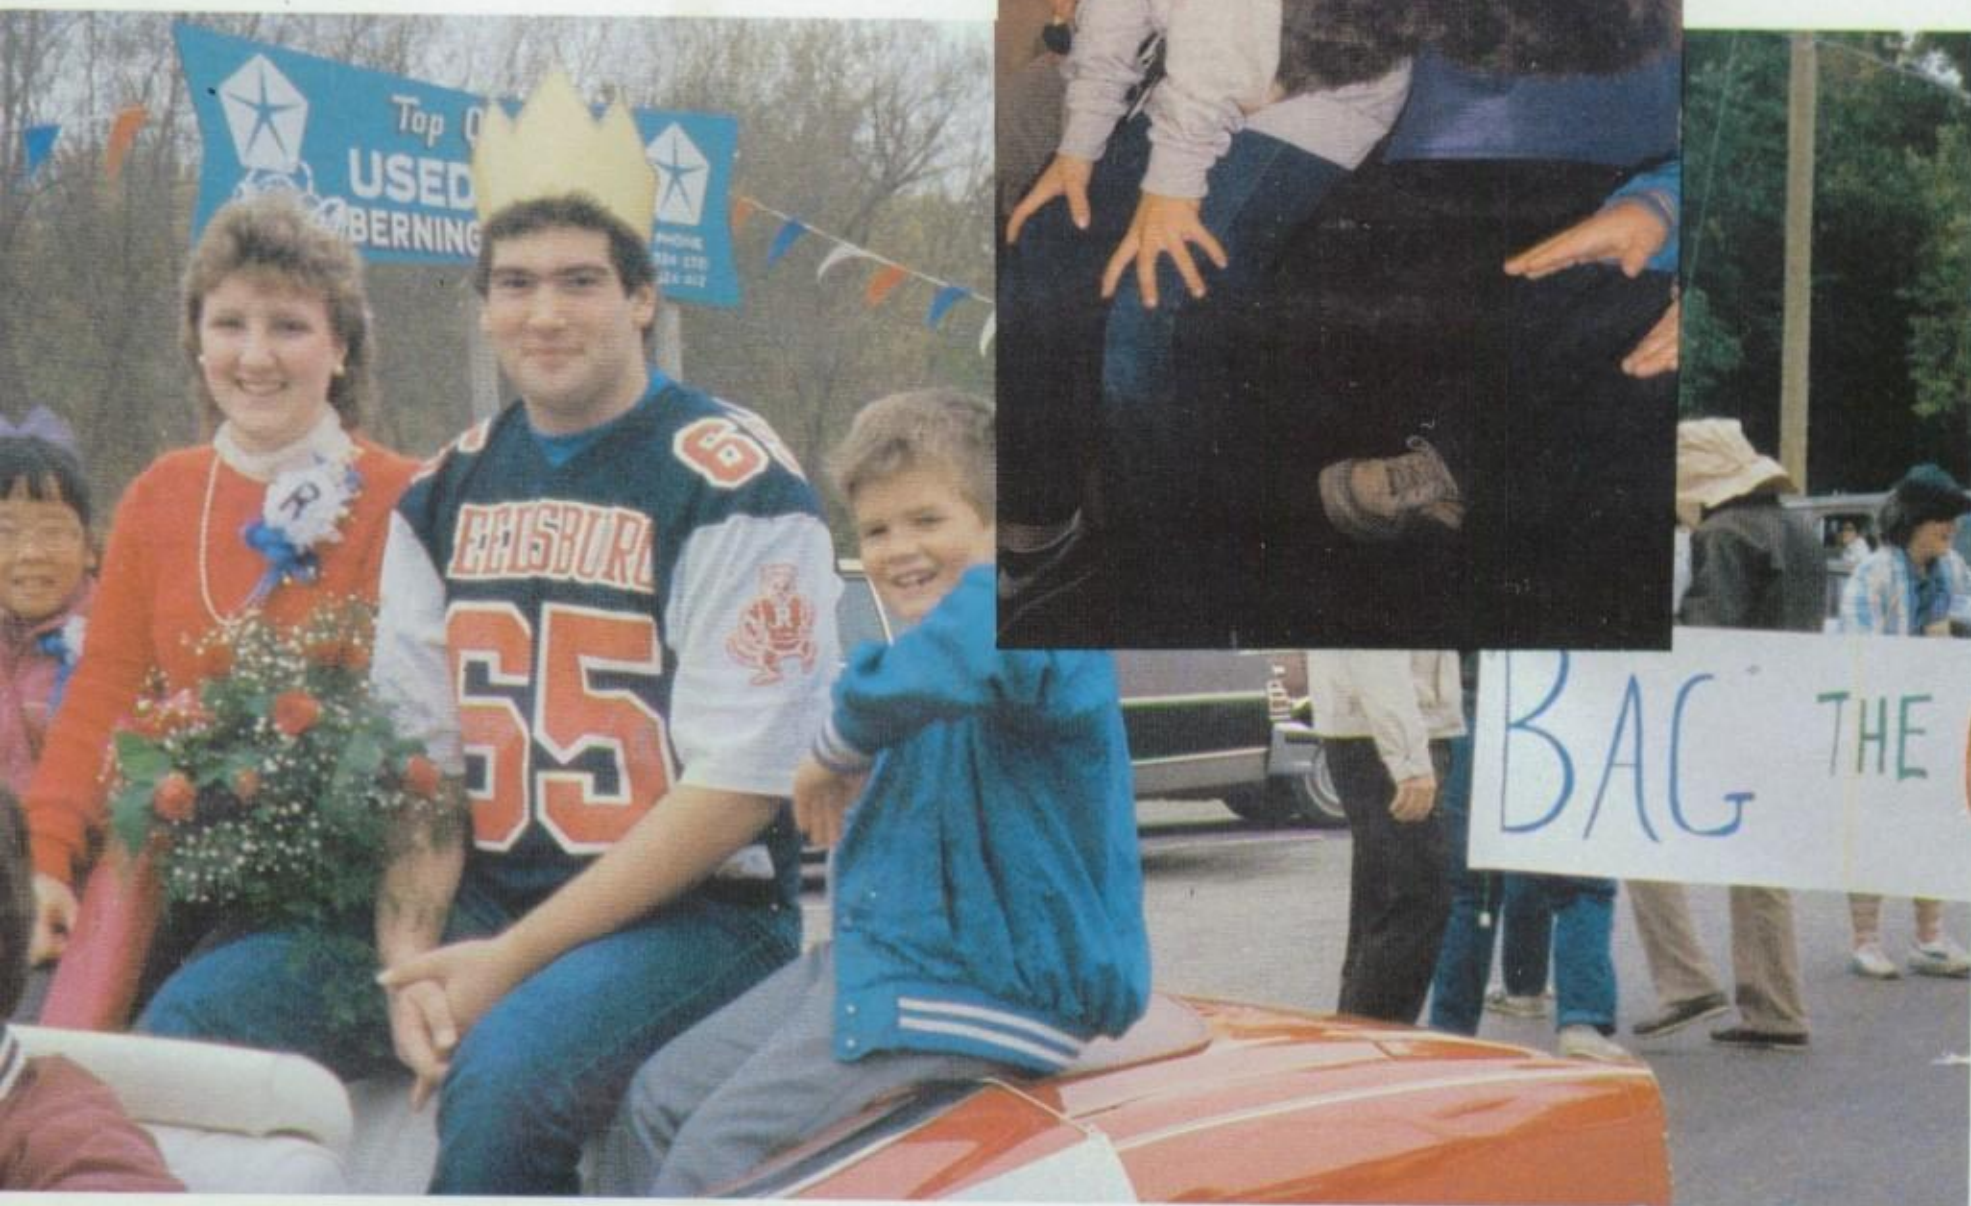

This year, the pep assembly was held on Thursday night because of parent-teacher conferences which were scheduled for Friday. Although it was an evening assembly, there was a surprisingly good turnout. During the assembly, the skits were put on. The juniors got first place on their skit with the Choo Choo Train. Games like pass the lifesavers on a toothpick, tricycle race, and spoon pass, were played. After the skits, the court was announced. Homecoming King and Queen, Dave Michel and Christie Kaiser were crowned by Mr. Griffin. Miniature King and Queen were Jared Trosper and Maria Sivam.

On Friday afternoon the parade was held. In the parade were the band members, pom pon squad, flag squad, court, and the floats. The sophomores got first place on their float with the slogan, "We Got The Juice."

The football game got underway at 7:30. The Beavers really tried but they just could not beat the Dells Chiefs. The Beavers lost the Homecoming Game, 0-14. At 11:00 the dance was held in the gymnasium. The band was called "The Hits" and we rocked until 1:00 A.M. The overall rankings for skit, float, flickerball, class yells, and participation were as follows: Sophomores — first place, Juniors — second place, Freshmen — third place and so as not to break the tradition of the Class of 1986, the Seniors lost again.

In Memory of Jason Berberich 1971-1985

Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down today.
Nothing gold can stay.

Julie, well, sit almost the end for us seniors (Thank God!) Remember when you stayed for 3 weeks the good times! We had fun so don't forget never do that again! (And the bad, Womane).
of the dance — Have a great summer & see ya over the summer!
Love & friends forever
P.S. Party Hardy!

Julie, well I would guess it's been one hell of a fun school year for you. And then again maybe I'm wrong, but who cares if you had fun - I did and that's all that matters. I just want to say one thing but I don't remember what it is so I'll say something else. Only one year of school left for you so I wanna see you get in as much partying as you can so I have a little hint about homework - STICK IT ALL! I have fun remember you only live once - I know I can count on you. You have never let me down yet or I lied you have let me down but we won't tell anybody about it. And stay away from all those losers. Your a real friend even if you are a "dumb old girl". Your the best and don't let the Dells take it from me. The Legend lives on.

The Legend lives on.

Julie,
well it's been one hell of a year, but it's been fun. I'm really glad I got to know you, I mean what would I have done ~~all~~ the times I came (or look I came) over to your house and watched TV and drink your pop and ate pizza, it's been fun, gave me something to do!! I'll always remember all the cruises and parties we been to, your alot of fun to be with Julie. I'll always let you use my car when ever you ~~want~~ want to, just so you don't blow ~~my~~ stereo up or drive it down the road 100 in 86 in '72 mph ok!! Like I said I'm really glad I got to know and I hope we can stay friends and party together in all the year to come!! Take care of your self and have alot of fun!! Friends forever
